Dear Misericordia Family,

Over the past few months, I have been privileged to work with Bob Myers (Co-Director of Mission) in leading team-building exercises for staff in the village. Two of my "takeaways" from the experience are first, how committed our staff are to the well-being of our residents and, second, what a blessing it is to have a man like Bob on our staff. I am grateful to have had this experience as part of my introduction to Misericordia.

I suppose it is no secret that Misericordia is a special place abounding in blessings. From the beautiful campus with its welcoming homes, to the dedicated staff who give so much of themselves, to the wonderful residents who are the very heart of the community, to the families and friends who are unwavering in their support and generosity, Misericordia is a special and blessed place.

I am grateful to be a part of this community, and love living in the Shannon apartments! Every day I am able to see up close the commitment and love that pulse through our community. Thank you, Sr. Rosemary and Fr. Jack for letting be a part of such a great place, and thank you, residents and staff for taking me into your hearts and making me feel so welcome.

Sincerely,

Fr. Bart Winters, Co-Director of Mission

EMPLOYEE WELLNESS

COVID UPDATES

- The State of Illinois has extended the Executive Order EO NO. 109) related to the mandate for staff working in Long Term Care settings (e.g. Misericordia) to be "up-to-date" with their COVID vaccines. This means that any staff working in direct care, kitchen services, housekeeping, CDS/DT, nursing, recreation/pool, and therapy must be "up-to-date" with their vaccines. **Any staff 50+ must have the second booster to be "up-to-date."** If you have not received the second booster and meet the eligibility requirements, please consider getting the second booster at Walgreen's on Western and Granville. They are very accommodating with their appointment scheduling. After you have received your booster please submit your updated card to your supervisor.
- Screening and Testing
 - Please make sure to screen daily and report any symptoms immediately and test with a **lab-based PCR or rapid test**. Results should also be reported to your supervisors.
 - Misericordia **does not accept home tests** at this time, as we require tests that have proper, identifiable information.
 - If you have been out of work for over 14 days, please get a lab-generated PCR or Rapid test at an off-site clinic.

EMPLOYEE ASSISTANCE PROGRAMS (EAP)

Did you know that Misericordia offers free resources to you and your household through our Employee Assistance Programs (EAP)? EAP support is available 24/7, 365 days/year. Whether you are enrolled or not enrolled in a Misericordia Medical Plan, you can access EAP services.

EASING STRESS WITH THE PHYSIOLOGICAL SIGH

How can you relieve stress in real-time? (i.e. Calm yourself quickly, without having to step away from the stressful situation?)

According to Dr. Andrew Huberman, you can use the "physiological sigh" – a technique discovered all the way back in the 1930s. To do it, just take two inhales through the nose (the first one is typically longer, says Huberman, but the second one is also important) followed by an exhale through the mouth.

Check out this clip to find out more about the science behind it. You can also visit [this link](#) with a slightly longer description if you prefer to read about it.

988 SUICIDE & CRISIS
LIFELINE

The 988 Suicide & Crisis Lifeline is a national network of local crisis centers that provides free and confidential emotional support to people in suicidal crisis or emotional distress 24 hours a day, 7 days a week in the United States. We're committed to improving crisis services and advancing suicide prevention by empowering individuals, advancing professional best practices, and building awareness.

#SAMEDIFFERENCE SEND US YOUR PET PICTURES

Pictured: CILA staff Svetla Panagonova at home with her cat, Mozart.

Each quarter we will be inviting staff to take part in our #SameDifference initiative by sharing a piece of your life and other things you love with us. We hope by doing so, you can get to know your colleagues and the range of people who make up our compassionate community.

To kick off this exciting initiative, we would love to see and share pictures of you with your fur babies and other friendly creatures and pets!

Please make sure the picture you submit clearly shows you and your pet(s). **You may use older or newer pictures.** Include your name, the name of the animals photographed, and your work area.

Send your pictures to tiffanyj@misericordia.com to be included in upcoming updates and issues of Campus Connections. Entries will be accepted up until October 1st.

TELL US HOW WE'RE DOING COMPLETE OUR SURVEY

As part of the Misericordia Diversity and Inclusion Committee's effort to help everyone feel connected within our community, we would like to receive your feedback on how our D&I team helped you develop a more meaningful understanding of the various identities that make up our campus and surrounding neighborhoods.

Please take a moment to share your voice by answering our questions and giving suggestions on how we can continue to reflect and support the people who make us #MisericordiaStrong.

HR AND STAFF DEVELOPMENT

WELCOME FRANNIE, OUR NEW HR GENERALIST

FUN FACTS ABOUT FRANNIE:

- I love to cook and try new recipes but my baking skills have not advanced past boxed cake.
- My favorite animals are Elephants. My home is riddled with figurines and pictures of Elephants.
- I once got sun poisoning while visiting Thailand, nevertheless, I had a great time!

As Misericordia's newest HR Generalist, Frannie is here to develop and help all staff understand our policies, procedures, and guidelines ranging from employee benefits to state and federal laws. She is located in our Devon office and can be reached at fsloss@misericordia.com.

S.E.E.D. SKILLS ENHANCEMENT / EMPLOYEE DEVELOPMENT

COMING THIS FALL! TIER 2 OF FIT FOR SUCCESS: ESSENTIAL SKILLS FOR TEAMWORK

Applications are now being accepted for Fit for Success Tier 2: Essential Skills for Teamwork. Here's what some of our past participants said about their experience in Tier 2:

"It really helped me focus on how I can be a more supportive team member and how I can encourage others to be better as well."

"It has taught me to be more open to other ideas and problem solve as a team player rather than solo."

"It helped me by reminding me I have a voice and an opinion."

Join other committed staff seeking to grow their skills and develop strong teambuilding abilities in Tier 2 of Fit for Success this fall! Applications are due to HR by 8/19/2022 and are available on ADP or in HR. The first meeting starts 9/8/2022 from 1-3PM and meets weekly through 10/13/2022. Applicants must have completed either Professionalism or Tier 1 of Fit for Success and be in good standing.

HR AND STAFF DEVELOPMENT

PHI IN ACTION

We are excited to introduce a new occasional feature as part of our PHI column for Campus Connections. We'll be interviewing staff who have been through PHI training to find out how they use PHI skills in their day-to-day work here. **We start with Angie Bass (pictured left), Environmental Supervisor for the Marian Center.** Angie has worked at Mis for 23 years.

How do you think PHI training has helped you in your role?

A: "I utilize some of the skills more than others, but I found that being clear and direct in communication along with being self-aware has helped a lot. I try to be attentive in conversations – to set anything aside that I'm working on and really be there for the other person. "

What are some of the points of the training that stood out as most useful to you?

A: "I think pausing conversations is helpful sometimes. If things aren't going as expected or tensions might be getting high, it's good to just pause. When you revisit that conversation later, I've found the energy is different. If I didn't 'pause,' the conversation may have gone in a very different direction. I also think it's important to ask, 'what does the person need from me in this moment?' Sometimes a person just needs you to be a good listener, not a fixer or problem solver. "

Do you find you use your PHI skills outside of work?

A: "Definitely. I use them with my family, my adult kids, and my mom. It's a little different because you lead with love in your family but it definitely helps."

Why do you think PHI matters?

A: "PHI is not really a device or a technique. Sometimes you just have to lean in. In the Marian Center, we have a culture of speaking to everyone. We have to talk to one another or the residents will feel it. The old work culture just saw people as workers here to do a job, but we have to build relationships. You have to show empathy for our staff...they are working so hard and we are short staffed. I want people to know 'I'm here for you, I want to support you, what would be helpful?'"

As a bonus, Angie recommended a book called The Four Agreements by Don Miguel Ruiz which she said has also helped her develop her leadership skills. "I'm always learning," Angie said. What an excellent attitude to have as we try to support each other along the way!

Congratulations to the fourteen staff who completed Tier 1 of Fit for Success on Thursday, July 21! We are grateful to these individuals for their willingness to grow and for their commitment to working toward a positive, caring workplace environment for all. Each participant shared their learnings from Fit for Success with invited guests from the executive leadership team, Directors, and their support persons. Over 10 different departments from across Misericordia were represented in this group!

Tier 2 of Fit for Success: Essential Skills for Leadership will return this fall beginning on Thursday, September 8 through October 13 from 1-3 PM. Applications are now available on ADP and in HR. Learn more [here](#).

SIT RECOMMENDATION FOR AN EXIT INTERVIEW

Recently, a Strategic Initiative Team (SIT) focused on Employee Engagement and Retention worked on ways Misericordia can better utilize our current exit interview as an organization, and ways we can improve future staff retention. The team suggested improvements to the way that the interview questions were structured to improve the overall flow and ease of completion of the survey. We also offered our suggestions on ways departing staff is informed about the interview as well as opportunities to complete the survey. Our intention for this recommendation was to gain valuable and meaningful feedback from employees who are leaving or have left Misericordia in order for us to improve everyone's employment experience at Misericordia. This recommendation also guides future initiatives for new employees and future employee retention.

These updates would not be possible without the entire team Chris Krackenburger (Administrator), Laura Raymond (QIDP), Sarah Peters (Therapy), Danielle Geranimo (DSP), Kara Bonen (QIDP/Relief Supervisor).

MISERICORDIA WANTS TO HELP YOU PAY OFF YOUR STUDENT LOANS

Did you know that we are now offering a benefit to employees that will assist you in paying down your student loans? Misericordia will pay \$150 per month toward your total student loan debt if you are eligible to receive this benefit and chose to sign up. This benefit is paid directly toward your loan and does not replace your current payment. Current employees who change status and become eligible must register before the 20th of the month in order to have the \$150 payment applied toward the student loan for the following month. To be considered for each month's lottery, applications must be submitted by the first day of that month. If you are not selected in one month's drawing, you are automatically entered into the next. Only one application will be accepted.

INFORMATION TECHNOLOGY

CREATING STRONG PASSWORDS

Creating strong passwords not only helps you keep resident information confidential in systems like AWARDS, but it can also help you keep your own identity safe on the Internet. Below is a general tip on how to create strong passwords:

Use a long phrase that is easy to remember but hard to guess.

- Long: at least 12 characters (if applicable)
- Easy to remember: Use a series of words or a phrase that has meaning:
 - WeekendsAreTooShort
 - ChicagoWintersAreCold
 - JackAndJillWentUpHill
- Make it a bit more complex but adding punctuation and numbers:
 - WeekendsAre2Short!
 - W33kendsR2Short!
 - Chic@goWintersRCold!
 - Jack&JillWentUpH1ll

Try to avoid doing the following:

- Easy to guess information: phone numbers, kids names, pets names,
- Single words with numbers before or after:
 - Welcome12345
 - 12345Password

If you find yourself locked out of AWARDS, Outlook, or other online-based resources used by our campus, be sure to notify IT at x3015.

"Awards has helped provide a way for us have access to updated information on our residents at any location on campus. This allows nurses to utilize their time more efficiently and provide better care to the residents."—Sydney Rebella, BSN, RN

DAY SERVICES

EXPANDING OUR LEARNING AND VOCATIONAL SITES

The new Misericordia Hearts and Flour Bakery and Café on Ravenswood is an exciting new opportunity to connect more with the community, through delicious food and drink prepared on site. Just as important, the Ravenswood building provides three floors of new opportunities for the residents of Misericordia!

On the first floor, the Bakery and Café opened providing employment opportunities for 16 residents, with eight working each day. Beginning this month, with expanded hours, two more residents have obtained the opportunity to work on Saturdays. Residents train to work in either the "front" or "back" of the house. In the front, resident employees interact with the public, work the register, help gather the order, make drinks, and keep the dining room orderly. In the back, resident workers help prepare bakery goods and sandwiches, and to keep the kitchen sanitary. To connect with the community, a window is present at the prep tables where the residents in the back of the house enjoy a friendly wave with the public! Typical café staff are not employees of Misericordia but of the business, while Shaila Gonzales, CDS-DSP, supports the residents in the café as their job coach.

The second floor opens our latest art studio, and the first studio is located in the community. Alison Slak, CDS-I, moved over from Conway DT to open the space. In the studio, residents work on a variety of art pieces, with the ultimate goal being the submission of one or more pieces to the Artist in All! More than 30 residents visit the studio every week to work on their pieces. The studio has a nice balcony overlooking the neighborhood with a Metra line that cruises by on schedule, and a wall of windows with an Eastern exposure brings in natural, inviting light. Besides the arts, Alison, a trained yoga instructor, holds daily chair yoga with residents and will be offering more traditional yoga soon.

The third floor is the reimagined coffee packaging program, where automation replaces hand-packaging, giving residents the opportunity to work with more current technology, and to work at a productivity rate that allows for a more competitively priced product. With more favorable pricing, it is hoped that this work opportunity will allow the Coffee from the Heart brand to enter more retail and corporate spaces. The coffee product source has changed as well, where Misericordia will proudly package a Colectivo product under our label, the same supplier used in the Hearts and Flour Bakery and Café. Laura Schulz, CDS-I, moves with the program to the new building and is currently helping to set up the business. When running, the business will have one product line running with residents working at coffee grinding, weight and fill, sealing, and shipping stations. As the business grows, it is planned to open two additional product lines that will support more work opportunities.

The second and third floors of the Ravenswood building are closed to the public for security purposes, but the public may visit those floors during scheduled tours. If you would like to learn more about any of these resident opportunities, please contact a Community Day Services team member!

COMMUNITY DEVELOPMENTS

ORGANIZATIONAL CHANGES

As indicated in "Groundbreaking Ceremony" (featured right), the Unity property will ultimately be named Rosemary Park. Although it will be years before we are anywhere near occupancy of this area, this was one of the driving forces of our structural change.

Change can be really good but it is also a time of uncertainty. What we do know is that this change is also motivating us to emphasize leadership development. It is imperative that we continue to invest in you, our staff, and offer development and growth opportunities so that our staff continues on this journey with us. We are excited about the performance evaluation, as well and the opportunities for discussion it affords all of us.

We wanted to share an update with all of our staff on the reorganization efforts. The interview process for the three Vice President positions will begin next week for all internal and external candidates. We expect interviews to be completed by the end of August. Fr. Jack and the Executive Team will finalize the decision and will inform you of the outcome. Additionally, on Monday, August 8 we will be posting for two Director positions, one for Marian Center and one for Rosemary, Connelly, and McGowan. We are also posting an Assistant Director position for the Village. Please review the posting and consider applying.

Val and Chris are working on their transition plans as are Ashley and Denise. Carol and I need to meet intermittently. This is a process but there is a lot of information that is being shared. We have revamped the job descriptions so that there is a clear differentiation between the Director and Assistant Vice President. The Director is managing the day-to-day whereas the AVP is developing and supporting the Directors, holding their team accountable and building strategy for their area two to three years out.

Once again, as changes become apparent, we will share the information with you.

Thank you for the ongoing exceptional care you provide to our residents.

GROUNDBREAKING CEREMONY

We just want you, our staff, to know that on Wednesday, July 13th, we had the official groundbreaking ceremony for our new homes at the old Unity Church site. Though we know we are currently not in a position to open any new homes due to staffing, in terms of construction, the timing was right. The funds for these buildings are restricted to the Unity Church site. Construction will take several years, so hopefully things will be better with our staff numbers. We obviously will not open them until we are able to staff them.

Either way, we are so grateful to the folks who have contributed to build these homes. We will continue to meet to determine who will be living in these homes. We have to a look at our current Resident's needs as well as the waiting list before any of these decisions can be made. As in the past we will continue to trust that we are doing God's will and Work and proceed with caution. Thanks, Staff for all of your support! —Fr Jack

FAMILY FEST RETURNS THIS SEPTEMBER

After a two-year pause, we are thrilled to announce that Misericordia will hold its 40th Family Fest on Sunday, September 11, 2022 from 11:00 am to 6:00 pm on the grounds of Misericordia. Family Fest brings tens of thousands of guests to Misericordia for a day of entertainment, food and celebration of all things Misericordia. It is one of our largest and most important fundraisers. We will again be offering a Cash Raffle for a chance to win 25 cash prizes, including the \$50,000 grand prize and a Car Raffle to win a 2022 Kia Forte FE, donated by our good friend Andy Francis of Evergreen KIA.

To purchase or for more information about the cash and car raffles please go to [our website](#).

DEPARTMENT SPOTLIGHT

DEVELOPMENTAL TRAINING

Developmental Training falls under the umbrella of Day Services, our enrichment program that focuses on developing and enhancing daily adaptive living skills, economic self-sufficiency, greater independence, and personal choices of people with Developmental and Intellectual Disabilities.

The staff that works in the Developmental Training programs are dedicated and hard-working. They have shown great flexibility and resilience, especially these past few years. The staff works hard to create programming (e.g. educational opportunities) that meets the changing needs of the residents. They are talented and inventive in their work. They strive to improve the lives of the residents through encouragement and by introducing them to innovative programming and work experiences.

The Misericordia community is grateful for these dedicated and creative staff. Through their work, they help make #MisericordiaStrong.
